Outcome 1: National/sub-national and sectoral policies and plans are in line with the APPC Ministerial Declaration and incorporate the health and gender goals and targets of the SDGs and increased national/sub-national budgets are allocated to enable implementation.

1.1 Strengthen the capacity of National Committees to advocate, network and influence (National Committees or NatComs, AFPPD Secretariat)

1.2 Strengthen national and regional knowledge bases and regional learning and information sharing (NatComs, AFPPD Secretariat)

1.3 Approach non-National Committee members to expand the possibility of influence (NatComs and AFPPD Secretariat)

Outcome 2: The ICPD regional agreement is extended and supported by other parliamentary and CSO groups and mechanisms, such as ASEAN Inter-Parliamentary Assembly, WB parliamentary network, CPA, IPU for wider support

2.1 Interact with the existing global/regional/sub-regional parliamentary networks to place relevant ICPD beyond 2014/APPC Ministerial Declaration issues on their meeting agenda (AFPPD Secretariat, selected NatComs)

2.2 Build partnerships with important CSOs/Movements to benefit from their platform and technical expertise (AFPPD Secretariat, Standing Committees)

Outcome 3: AFPPD influences regional/global political/development agenda and provide aligned support to its realization

3.1 Make policy recommendations for the consideration of political and government leaders in key areas (AFPPD Secretariat, Standing Committees)

AFPPD Strategy 2016-2019: Results Chain and Accountability Framework

Sustainable Development Goals 2015-2030/ICPD beyond 2014

Asian and Pacific Population Conference – Ministerial Declaration 2013-2023

AFPPD Strategic Plan 2016-2018: Enable APPC MD implementation and monitoring and contribute to regional and global policy advocacy

AFPPD Vision and Mission

AFPPD Outcomes

Management Output:
Good governance, clear accountability and effective communication are well institutionalized and practiced in AFPPD

4.1 Implement the new governance and accountability mechanisms and systems (Executive Committees, Task Force, AFPPD Secretariat)

4.2 Reorganize the AFPPD Secretariat to strengthen capacity (Executive Committees, AFPPD Secretariat)

4.3 Implement more proactive communication (AFPPD Secretariat, National Committees)

4.4 Increase and diversify funding sources (Executive Committees, AFPPD Secretariat)

Annual review, Audit and Evaluation
## AFPPD: Monitoring and Evaluation Framework

</tbody>
</table>
### Health systems
- Quality of SRH services
- Access to health facilities and essential medicines
- Availability of health workforce
- Contraceptive stockouts

### Gender equality and Advancement of Women
- Proportion of women 20-24 years who were married or in union before age 18
- Proportion of women aged 15-49 subjected to physical or sexual violence in the last 12 months
- Share of women in parliament
- Share of women among persons in managerial positions
- Proportion of women and men in decent employment

### International migration
- Proportion of international migrants accessing health services

### Resources
- Improved tracking of resources committed to health/RH, gender equality and women’s empowerment and population data collection and analysis

### National Plans
- National Plans considered demographic changes and population dynamics

### Strategic Outcome 2
- a) Elements of the APPC Ministerial Declaration are linked to the SDGs framework and are known among non-AFPDP parliamentarians
- b) Health, rights and well-being of women and girls are discussed and supported at the meetings of other parliamentary networks
- c) AFPPD’s work in specific areas is widely known to MPs and CSOs

### Strategy 1.3 Outreach
- a) # of regional/sub-regional meetings that invited Speakers of the Parliament, parliamentarians dealing with finance/economics/foreign affairs and/or other influential parliamentarians
- b) # of national/regional meetings that invited public and media personalities and/or faith-based organizations
- c) # of National Committees that reached out to other committee members and influential parliamentarians
- d) # of national committees that worked with religious leaders/faith-based organizations

### Strategy 2.1 Parliamentary partnerships
- a) # of other parliamentary network meetings where ICPD issues were tabled by AFPPD
- b) Close working relationship between the National Committee and CPA and IPU national offices
- c) # of other parliamentary network meetings where AFPPD MPs and/or Secretariat staff participated
- d) # of knowledge products shared with other parliamentary networks
- e) # of MOUs exchanged with other parliamentary networks

### Strategy 2.2 CSO partnerships
- a) # of MOUs exchanged with CSOs
- b) # of technical support provided by CSOs
- c) # of CSO regional/global conferences attended by AFPPD MPs and staff

### Strategy 3.1 Political influence
- a) # of parliamentarians’ preparatory/side meetings organized for the intergovernmental meetings
- b) # of ICPD-related session included in the relevant ASEAN and APEC high-level meetings with the participation of AFPPD MPs
- c) South Asia Youth Conference organized by
challenges annually
b) ASEAN and APEC health ministerial and senior officials meetings adopt supportive decisions on SRH, women and youth
c) SAARC parliamentarians demand implementation of the youth action plan and provide parliamentary oversight
d) The parliamentary proposal is brought to the G7 leaders
e) AFPPD collaborate with PPD on Commission on Ageing

SAARC and AFPPD with government officials, parliamentarians, youth representatives and media
d) Parliamentarians’ policy recommendations produced and submitted to the G7 Summit.
e) # of PPD Commission on Ageing attended by AFPPD and # of MPs and staff participated

Management Output (Organizational)

Strategy 4.1 Implementing new governance and accountability framework and systems
a) Semi-annual and annual reports of AFPPD, minutes of the Executive Committee meetings and Standing Committee reports.
b) National Committee annual reports
c) Financial reports and Audits

Strategy 4.2 Reorganizing the AFPPD Secretariat
b) New structure in place and new posts filled
c) MOUs exchanged for technical support with selected UN agencies/CSOs

Strategy 4.3 Improving communication
d) AFPPD’s website contain news/inputs from National Committees and updated regularly
e) # of hits to the AFPPD website by country
f) # of e-news and policy updates sent
g) Regularly updated list of National Committees contact information

Strategy 4.4 Diversifying resource mobilization
h) # of funders
i) amount raised
AFPPD Target Countries & National Committees by Strategic Grouping as of 2015
(Regional Population 100% = 4.1 billion as of 2015)
